

We are currently looking for a

## Human Resources Manager/Head of HR (m/f/d)

for Gotion Germany Battery at the location Göttingen/Germany.

### What you contribute

- Positioning HR as a business partner in the organization
- Leading and developing the HR team as well as contributing to day-to-day operations
- Creation, implementation and further development of strategies and concepts, especially in the areas of personnel recruitment, development and retention
- Competent contact person for the management, executives and employees regarding all personnel management and labor law issues
- Steering of organizational change processes, pro-active design and supervision of the internal change process
- Goal-oriented, partnership-based and trusting cooperation with our employee representatives
- Stabilization and optimization (best practice) of all HR processes

### How you convince us

- You have completed a degree/training with a focus on HR or you have a comparable education with additional qualification such as HR specialist (IHK)
- You have already gained several years of work experience with management experience in the HR area of a manufacturing company
- You have sound knowledge of the collective bargaining law of the metal industry as well as labor and social security law
- You are confident in using Microsoft Office and ideally SAP
- You have a high level of social competence, customer orientation and distinctive strong communication skills
- You are characterized by an independent and structured way of working with a hands-on mentality
- You have a very good command of German and English
- You live our values: openness, sustainability, innovation

Could we inspire you? Then please send us your application documents, stating your earliest starting date and your salary expectations to [karriere@gotion-europe.com](mailto:karriere@gotion-europe.com).
